

Enhance the pleasure of fishing with our free app, FishingMobile. Feature-packed and tuned over years, it is your expert companion both on and off the water.

## Features

### Fully loaded power pack.

Now you can log fish from anywhere with our easy to use mobile application. Our customizable Log Fish function helps you to create a detailed record with automatic Date / Time, GPS Location, and weather conditions, of every catch. Select from 1140 saltwater and freshwater species organized by region, create detailed customized riggings, lures/baits, and attach images and video. There's no better way to keep up-to-date logs in the world of fishing.

We also give you valuable angling tools such as:

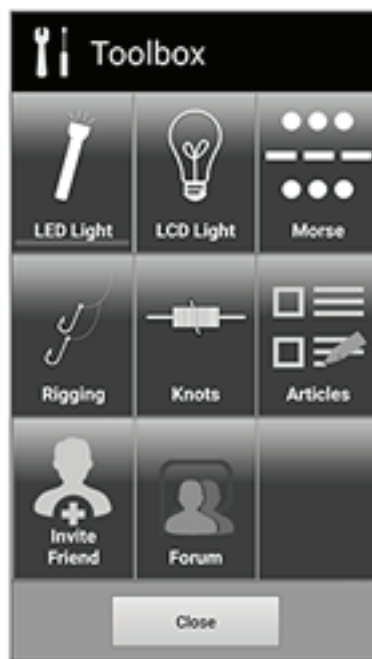

- Solunar
- Tidal Charts (tides from over 7000 locations)
- Advanced Weather reporting, including a radar map, forecasts, & incident reporting
- Mapping functionality
- Tracking / Create Routes
- Strike Marker / Create Waypoints
- Trolling Speed Calculator
- Powerful Flashlight
- S.O.S. / Morse Code
- Compass
- Complete illustrations for Riggings (rigs) and Knots
- Audio Notes
- Social Media—share your Fish Logs to Facebook and Twitter
- Over 100 articles for anglers
- and more

Nowhere else can you find all of these features in a single, user-friendly app.

It's not just about features though: our apps have been carefully designed for real-world usage, with high-contrast interfaces to reduce the impact of glare when you're outdoors.

Experience all these **features** by installing FishingMobile app, if you haven't already.
