

Enhance the pleasure of fishing with our free app, FishingMobile. Feature-packed and tuned over years, it is your expert companion both on and off the water.

Log Fish

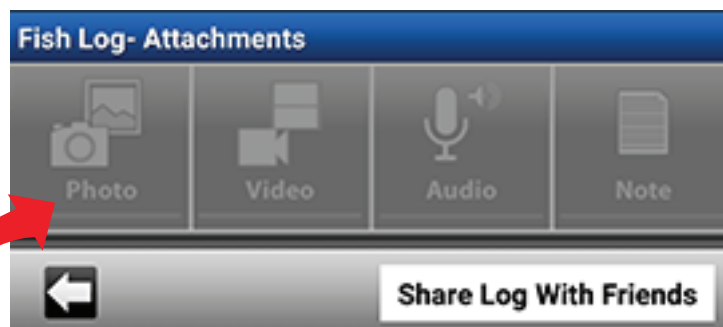

Log important details

The easy to use mobile application has customisable Log Fish function. You can store your catch details from anywhere with Log Fish. This function helps you add a record of your catch with details of: Species, Weight, Length, Girth, Lure/Bait, Method, Rigging, Scenario, Structure, Water Temperature, Depth, Date/Time and Location.

Attach multimedia

You can easily attach a photo of your catch, add a voice recording, shoot a video, and write in some notes.

Share and collaborate

Record your fish log and store it on the FishingMobile server. You can either keep the logs completely private or extend public access.

Experience the user friendly **Log Fish** functionality by installing FishingMobile app if you haven't already.
